Overview

The Aga Khan Academy Hyderabad is a secular, co-educational, day and boarding school for students in grades 1–12, with residential life beginning from grade 7. The Academies are part of the Aga Khan Development Network.

The aim of the Aga Khan Academies is to influence progress in the developing world by educating students to become homegrown leaders who can effect positive change in their societies. The Aga Khan Academy Hyderabad works towards this vision by providing world-class education for exceptional students irrespective of their social or economic background or ability to pay.

Curriculum

The Aga Khan Academy Hyderabad is a triple programme IB World School, offering the Primary Years, Middle Years and Diploma Programmes. The Academy's programme additionally emphasises five cross-curricular areas of study: Ethics, Pluralism, Cultures, Governance and Civil Society, and Economics for Development. These themes provide a framework for developing students as global citizens and ethical, pluralistic leaders.

Graduation requirements:

- 6 subjects: 3 at the Higher Level (HL) and 3 at the Standard Level (SL)
- Theory of Knowledge course
- 4,000-word Extended Essay on a student-chosen topic
- Creativity, Activity, Service (CAS): Extensive participation in community-based service projects

Unique service internships

The Academy's summer internship programme is a unique, service-based learning initiative that supplements the CAS (Creativity, Action, Service) portfolio of the IB Diploma Programme. Students spend an intensive month in urban and rural areas across India, working with non-profit organisations focusing on education, rural development, women's empowerment, child health, disaster awareness, youth training, agriculture and nutrition.
